REQUEST FOR REFUND

Dear Sir:

The deposit account of the undersigned (Deposit Account No. 04-0213) was charged \$65 as fee code 2051 on August 19, 2004 as PTO Control No. 1, see attached copy thereof, for alleged fee deficiencies relating to the above-referenced application. It is believed that this charge to our deposit account is in error for the following reason.

The necessary Declaration and Power of Attorney accompanied this filing on April 2, 2004 along with a check covering the filing fee for this application, as witnessed per attached copy of the Declaration and Power of Attorney, the check and the returned postcard. The Declaration and Power of Attorney, submitted on April 27, 2004, merely submitted a Supplemental Declaration for this case and no fee was due and payable respect to the same. Consequently, it is submitted that this charge to our deposit account is in error and a refund, in the form of a check refunding the charged amount and payable to the office of the undersigned, should be issued by the Patent Office. In the event that the Patent Office disagrees with the above, it is respectfully requested that the Patent Office forward to the undersigned a formal explanation of why a refund is not proper in this instance.

In the event that there are any fee deficiencies or additional fees are payable, please charge the same or credit any overpayment to our Deposit Account (Account No. 04-0213).

Respectfully submitted,

Michael J. Bujold, Reg. No. 32,018
